for head-to-toe comfort.

Starlon[®]
Mattresses & Pillows

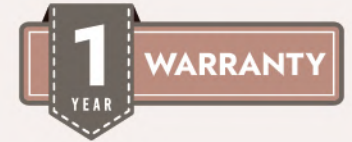

At Aaditya Foam, our front-line tech & machinery amalgamates with our exquisite artistry in this collection of finely constructed mattresses. With features like no partner disturbance, cozy & comfortable, back-support, pocket-friendly, and reversible the Starlon Collection promise enhanced sleep solutions. With our Premium Mattresses, you can now elevate to maximum comfort and get the most you can out of our product.

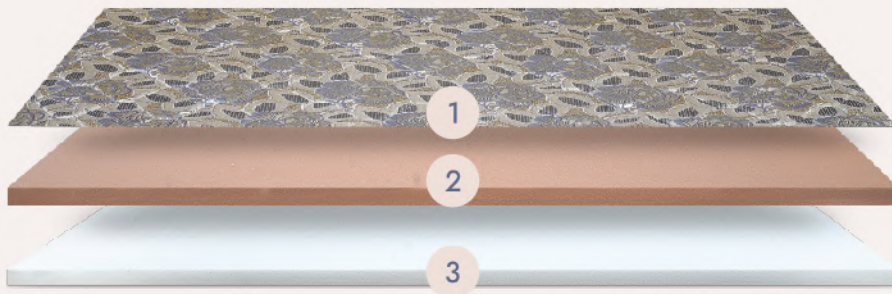

Phoenix

Phoenix

Made with our house-produced foam interiors, enclosed by a quilted fabric made of soft satin, the Phoenix mattress is the perfect choice for our buyers - on - a - budget. The Phoenix excels at providing an even firmness that gives a strong support to your spine and prevents any stiffness in the morning.

VEGA

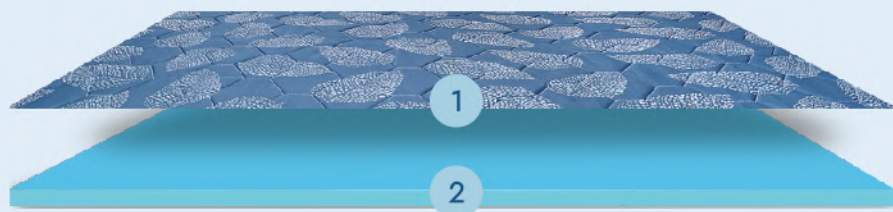

VEGA

Using only the highest quality materials and precise craftsmanship, we have created VEGA range of mattresses with the right density levels which make the mattress neither too soft nor too firm, achieving the perfect mid-point of comfort.

It is designed for customers who are looking for a durable & versatile mattress without it being heavy on the pocket.

SUMO

Our Sumo mattress is the flag-bearer of minimalism and simplicity. Manufactured using a time-tested interior covered by a comfort quilt on both sides, the Sumo excels in providing even firmness across the mattress while also remaining medium-firm. These properties enable this mattress to provide excellent back support and optimal spine alignment.

SUMO PLUS

SUMO PLUS

Based on the same technicals and processes as the Sumo, the Sumo Plus brings luxury into comfort by being made of a higher density rebonded foam and is covered with thicker and more plump quilts with knitted fabric for that rich feel. It brings to focus the often neglected areas of our body like the hips and the shoulders when it comes to good sleep and great comfort.

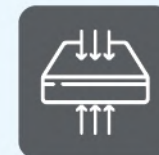

1	High GSM knitted fabric quilted with soft foam
2	High density PU foam
3	Premium quality rebonded foam

Resilient

Resilient

Know what makes our Resilient mattress so unique? It's super cool! Filled with a mixture of the benchmark quality foams, it is a treat for anyone who prefers soft mattresses. The nature of the foam along with the premium knitted fabric surrounding the mattress makes it highly breathable through enhanced air flow. It's a super cool mattress!

Resilient MF

Resilient MF

Soft mattresses should be highly cozy, and we take that seriously. An upgrade from the Resilient mattress, the Resilient MF makes use of a more voluminous amount of interior. The Resilient MF channelizes good sleep and unparalleled comfort by adjusting to each individual's body shape. The memory foam's softness pairs exceedingly well with the premium knitted fabric to maintain an even, spread-out softness throughout the mattress.

Imperial

Imperial

Ever wondered about a mattress that can be both soft and firm to give your body the maximum possible comfort and the deepest sleep? The Imperial mattress is a uniquely and craftily designed mattress consisting of superior quality cores enclosed in a thick knitted cloth. The medium-firm mattress with good back support brings home the feeling of royalty. With the Imperial mattress's pain-relieving configuration, our customers get to experience dual-levels of comfort.

1	High GSM knitted fabric quilted with soft foam
2	High density PU foam
3	High density supersoft foam
4	High density rebonded foam

Vintage

Vintage

Heard the saying "Old is Gold"? When it comes to comfort in design, people back then definitely knew what they were doing. Undeniably very comfortable, the Vintage mattress is our signature product. This mattress provides the rustic medium-firm support with its combination of thick layers supporting your body shape. Vintage is our most premium level option. Moreover, the Vintage mattress moves away from conventional norms as the soft memory foam layer is set below the firmer, High Density foam. This unique configuration is engineered for great comfort and even has pain-relieving properties.

FANTASY

This mattress's blend of Bonnel springs and our high-quality foam offers extensive amounts of support, and unparalleled, hotel-like comfort. The materials used in producing this mattress deliver an all-rounder comfort level while also being refreshing and sanitary due to their high breath-ability. The airy nature of this mattress also gives it a pleasant bounce-back feel. This mattress's elegance and texture are enhanced by the lush quilted fabric, which is why it's called Fantasy.

ELEGANT

ELEGANT

A mattress with the name Elegant sets the bar of expectations very high. We can proudly say that this magnificently manufactured mattress with variably sized pocket springs to support your weight lives up to its name. With the focus completely on luxury and comfort, the Elegant mattress prevents any partner disturbance while maintaining even softness and feel on the top with its High GSM Knitted Fabric (quilted with high quality soft foam). Also available in a pillow-top setting, paired with its other qualities, this is indeed a very elegant mattress.
